GAMMA SIGMA SIGMA  
NATIONAL SERVICE SORORITY  
BETA SIGMA CHAPTER  
WESTERN KENTUCKY UNIVERSITY  
BOWLING GREEN, KENTUCKY 40201

Dear Friend,

We the sisters of Gamma Sigma Sigma would like to take this opportunity to introduce you to our organization. You may or may not be familiar with Gamma Sigma Sigma at Western, so we would like to acquaint you with our purpose.

Gamma Sigma Sigma is based on the high ideals of service, friendship, and equality. Not only do our members serve on campus, but are active in community and national affairs.

The purpose of the Sorority is to assemble college and university women in the service to humanity. We serve to unite women of all races and creeds by working to fulfill goals common to all.

We are the only national service sorority in the nation, and the only service organization for women at Western. We are not a social sorority, we are Service with a capital "S", and this comes first above all. Since we are based on service, it is our policy to include social sorority members and non members who are in good standing with the University. We leave the choice to you. We do not choose you; you choose us.

You will gain from Gamma Sigma Sigma compensation only for what you give to the sorority in the way of service to others, and Gamma Sigma will certainly gain from you.

We have over thirty chapters across the nation, and a very special brother fraternity based on the same ideals. Alpha Phi Omega is a national service fraternity and also is the only service fraternity in the nation for men. We do joint service projects and other activities with them. Gamma Sigma is not expensive, since we need very little money. We give of our time and of ourselves.

As the fall semester draws near, we would like to invite you to consider pledgeship with us. Shortly after school starts, we will be sending you an invitation to a coke party where you can meet us and get a better idea of what we do. You do not need an invitation to attend, and if you know a friend who might be interested, bring her along.

We are enclosing a newsletter from our spring term which will better acquaint you with our purpose.

I sincerely hope that each of you will give serious consideration to Gamma Sigma Sigma. Our duties and projects are many, and we need you as a sister. We think you will find us a unique group of girls who simply enjoy giving to others.

I look forward to seeing you and meeting you in the Fall and possibly seeing you as a sister. If you have any questions when you arrive on campus, feel free to come by 110 West Hall and see me, or call number 748-4279. I will be more than happy to answer your questions. I will be on campus the 18th of August, and if you cannot reach me in my room, call the desk of West Hall. That number is 754-4491. See you soon.

Sincerely,

*Carroll Ann Crawford*

# Girls Club Notes

Bowling Green Girl's Club has opened after the summer break. Girls in both clubs have been busy discussing teacher, classes, books and plans for the coming year.

Cooking and sewing classes are among the first the girls will sign up for this fall. In sewing classes they will make pantsuits.

Gamma Sigma Sigma sorority from Western worked with the Delafield Club one day.

The crafts departments is making telephone book covers out of old drapery material and felt scraps.

Sewing classes are learning the basic parts of the sewing machine and pattern layouts.

Little Daisy Garden Club met and worked on projects of the garden show.

Midgets had a tea party and learned new songs with finger and hand action.

Materials needed are scraps

for rug making, cigar boxes and Pringles potato chip cans.

Special thanks are extended to Gamma Sigma Sigma and the Southern Kentucky Coffee Break Club for the booth at Warren Central High School.

Junior leaders sold cookies and items they had made with profits going in their treasury.

Girls' Clubs are supported by United Givers Fund.

# Invitation sent to Parents about - - - - - FAMILY DAY 1974

Beta Sigma Chapter  
Gamma Sigma Sigma  
P.O. Box 202 College Heights Post Office  
Western Kentucky University  
Bowling Green, Kentucky 42101

Dear Parents:

Each spring the sisters of Gamma Sigma Sigma have a "Family Day". At this time we invite the families of our sisters and pledges to join us in an afternoon of fellowship. This gives us all a chance to meet each other and to give you a chance to see what the sisters of GSS do as a sorority.

This year our Family Day will be April 21st at 2:00 p.m. at the Harrett Conference Center Ballroom on the WKU campus. This year our Family Day will consist of a dinner and program. The dinner is Pot Luck. The sisters will provide the bread and beverages. Attached to this letter is a response for you to fill out and return to us by April 5th. We would like for you to bring silverware and plates for each member of your family.

We look forward to seeing each of you at Family Day. This is a special time for all of us to share our families that we are all proud of. Thank you for your response and again, we look forward to seeing you all.

Sincerely,

*Carroll Ann Crawford*

NATIONAL SERVICE SORORITY

JOIN  
THE  
ALUMNAE

PROGRAM

Once your days at college are over and the books are all neatly packed away, does that feeling of wanting to help others suddenly end? People don't suddenly stop needing help--should you suddenly cease to care? All over the nation Gamma Sigma Sigma alumnae don't think so and although involved with careers and/or families they still care about Gamma Sigma Sigma and still give time to service. Who are the alumnae? Won't you find out and join them.

#### WHAT IS THE PURPOSE OF AN ALUMNAE CHAPTER?

An alumnae chapter perpetuates the ideals of Gamma Sigma Sigma on the community and national level.

It aids in preserving the friendships formed among sisters on an undergraduate level and in forming new ones.

#### WHAT DOES AN ALUMNAE CHAPTER DO?

An alumnae chapter gives you an opportunity to continue serving--your community & the nation.

It gives you an opportunity to meet old and new friends at regional alumnae conferences.

It will help you keep in touch with all of Gamma Sig's activities by receiving the Gamma Gossip and copies of the White Rose (a national alumnae newsletter to keep you informed of alumnae activities).

As an alumna you may attend all national conventions & regional conferences and thus have a voice in making the sorority's policies and plans for the future.

#### WHAT IF THERE IS NO LOCAL CHAPTER IN THE AREA?

If there is no chapter in the area, you can become an alumna-at-large. An alumna-at-large is an alumna who is not affiliated with an organized chapter but who is still interested in Gamma Sigma Sigma and wants to help. She gives service by helping other organized chapters (either undergraduates or alumnae) with their

projects. (She does such things as collecting Betty Crocker Coupons or making Granny squares and then forwarding them to a chapter which is involved in this type of a project).

You and several other alumna - at large can join together to create an alumnae group which can petition to become an alumnae colony and eventually an alumnae chapter. All you need are ten interested alumnae to become a colony.
